

OPTIONAL INSURANCE REQUIREMENTS

Policy Type & Coverage

MLD customers have the option of providing a Certificate of Insurance to receive a 10% discount on their rental. Specific terms of your damage/loss liability for rented equipment are listed in our Terms & Conditions. Please read and familiarize yourself with these terms before renting.

A valid Certificate of Insurance with the following coverage is required to qualify for this discount:

- o \$1,000,000 General Liability Policy with MLD named as "Additional Insured"
- o At least \$50,000 in coverage for "Rented Equipment In-Transit & Various Locations" with MLD named as "Loss Payee"

The equipment policy must specifically show all-risk, replacement cost coverage for equipment rented from others (NOTE: this coverage is usually not included in General Property Insurance, or Business Personal Property policies, but is specific to an Inland Marine, or Special Producers policy).

The minimum amount of rented equipment coverage is \$50,000, with a maximum deductible of \$2,500. However, minimum coverage must always match the actual value of equipment rented. For example, a four-camera multicam system requires more insurance than renting a few audio accessories.

Certificate of Insurance

A valid Certificate of Insurance is an original copy for the current policy period, issued by and sent from the customer's insurance company. If a copy is not received by the time the rental delivers, the full, non-discounted amount of the rental will be charged. However, if a valid certificate is received before the equipment is returned for a policy in force at the time, and there was no rental loss, credit will be issued for the discount.

The certificate must name MLD Equipment Rental, Inc. as "Certificate Holder". (NOTE: MLD does not accept certificates with handwritten information).

MLD Equipment Rental, Inc. must be named as Additional Insured with respect to General Liability and Loss Payee with respect to the rented equipment policy.

The Named Insured must match the name on the contract, regardless of company ownership. (Example: John Doe owns companies A and B. An insurance certificate that lists company A only as the named insured will not be accepted for company B's rentals).

To ensure your carrier provides a certificate that meets our requirements we have prepared Sample Certificate on the following page.
